Dennis & Phyllis Washington Foundation  
Pay It Forward Employee Charitable Giving Program

We would like to offer you our heartfelt appreciation and thanks for the blessing of the \$500 giving card to assist in our outreach. These funds allowed us to purchase batting to be used in our quilts.

We are a small, 7 member, group that creates quilts for local needs. All our quilts are made and quilted by our members using donated materials and are distributed to organizations such as the foster care system, local fire departments, LOVE Inc., R.O.O.F., and the Veterans of Foreign Wars to name a few. Last year we were able to share over 100 quilts to those needing warmth. Each quilt has an attached label which reads:

*"Lovingly, prayerfully made by Stitch 'n Peace*

*May each hand that touches this quilt be blessed and whomever wraps in it, feel the loving hug meant just for them."*

Once again we want to thank you for this wonderful gift.

Sincerely,

*Carla Bower*

**Stitch 'n Peace Mission Statement**

*The focus of Stitch 'n Peace is to use the gifts and talents that God has given us in creating and sharing fibre arts projects such as quilting. Our goal is to share God's love through fellowship, lessons, and quilts for those in foster care, nursing homes, hospitals, pregnancy centers, local disaster situations, etc., primarily at home, and to recognize our military veterans that have yet to be acknowledged for their service and sacrifices for our country.*
